

Balabhadra Rishi Satya Teja

Manipal, Karnataka | rishisatyateja.balabhadra@gmail.com

EDUCATION

Manipal Institute of Technology, Manipal

Expected 2028

B.Tech, Computer and Communication Engineering

CGPA: 7.02/10 | 3rd Year, 5th Semester

Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks

TECHNICAL SKILLS

Languages: Java, Python, C, SQL

Backend: RESTful APIs, FastAPI

ML / AI: NumPy, Pandas, scikit-learn, PyTorch, LLM Fine-Tuning, LLM API Integration (Groq, Gemini)

Tools: Git, GitHub, VS Code, XAMPP, Postman

PROJECTS

AI-Powered Scam Honeypot System | India AI Impact Buildathon 2026

- Contributed to an autonomous AI honeypot that engages scammers using believable personas and extracts identifying intelligence (phone numbers, bank/UPI IDs, phishing links) from live conversations.
- Implemented the dual-backend LLM integration layer (Groq llama-3.3-70b-versatile as primary, Google Gemini 2.0 Flash as fallback) with automatic failover to local templates under rate-limiting, ensuring uninterrupted persona responses.
- System combined rule-based pattern matching with an NLP scam-detection engine covering 8 scam categories (bank fraud, phishing, UPI fraud, lottery, KYC fraud, job scams, romance scams, tech support scams) across 5 distinct personas.
- Built with Python 3.x and FastAPI; team project developed in a 24-hour hackathon format.

Hiring Platform – Anonymous Interview Connector

- Designed and built a full-stack recruitment platform using PHP, MySQL, HTML, and CSS enabling anonymous, bias-reduced communication between recruiters and candidates.
- Developed application status tracking and an automated notification workflow to keep both parties updated in real time.
- Designed a normalized relational database schema supporting multi-stage recruitment pipelines and candidate history.

CERTIFICATIONS & ACTIVITIES

- Machine Learning Specialization – Stanford University & DeepLearning.AI (Andrew Ng)
- App Development Workshop – ISTE, Manipal Institute of Technology
